WHAT MAKES US THE #1 PRODUCE TABLE DESIGNER IN NORTH AMERICA

Infinite Table Lengths

LemonTree Island tables are built using modular 30" and 48" sections that can be combined to make rows in nearly any length.

Easy to Sanitize & Clean

Table surfaces are made from space-age polymers and offer a smooth, waterproof surface which does not facilitate bacteria growth.

Attractive to Customers

Our tables make buying produce enjoyable for your customers. Consumers are delighted to see LemonTree tables in their local stores and to pick fresh produce from LemonTree tables.

Specialty Accessories

Our tables are easily customisable and designed to accommodate our line of specialty bag holders, label holders, produce dividers and modular upper shelf systems.

Built to Last

Our produce display systems are proudly built in North America with high quality materials and expert craftsmanship.

TABLE TOP FINISHES

At LemonTree Products, we pride ourselves on designing visually attractive tables that compliment the produce that you provide. We are able to match up to 16 million colors to specifically match whatever shades your specific store uses...but here are a few of our favourites!
